THE COMPANY

Brand Up is the export division of K.B. Enterprises focused on the international hospital textile business. Through its network of offices and agents, aims to serve the medical industry. K.B. Enterprises is a Textile Group situated in Faisalabad-Pakistan, Which is a well-known textile city all over the world. We are in the textile business for the last 46 years with the experience of the third generation.

K.B. Enterprises is our group of mills that deliver our company an outstanding verticality in the industry from spinning mills to fabrics and final product production. Currently we are one of the major Pakistan textiles exporting mills with an annual turnover close to US\$70M and we export to several countries worldwide. Our company is a vertically integrated setup. We start our work from yarn, weave, processing, and packing for the final presentation. Due to our vertical integrated setup, we have successfully build quality confidence due to our continuous quality consistency. We are manufacturer and exporter of Grey, Bleached, Printed & Dyed fabric (direct dyes, reactive dyes & VAT dyes), Home furnishing and Institutional products, Kitchen and Bath Products and Towel Linen like Bathrobes, Bath, Hand and Face towels with density from 350GSM to 1000GSM in bleached & dyed.

We are delivering best quality in different fabrication like Plain Weave, Sateen, Percale, Flannel, Duck, Dobby/Jacquard, etc. in 100% Cotton and different kinds of Blends with Cotton / Polyester.

THE VISION

We want to become one of the largest specialized manufacturers of medical and hospital textiles with one of best working environment in the world. We aim to be the most trustable company by improving terms of quality, productivity, reliability and buyers satisfaction.

Our goal is to become a leader in the hospital textile production both in the domestic and international market and to achieve a highest level of success providing the highest quality products and services consistent with customer needs and continue to earn the respect, confidence and goodwill of our customers and partners. Foster a culture of trust and openness in order to make professional life stimulating and challenging experience for all our people.

QUALITY & TRUST

Not just words. Our group is certified by the most important agencies in the world and we grant our customer full compliance on international laws and standards for production, raw materials and finished products

We are certified by GOTS, BCI, BSCI, Oeko-Tex 100 Class I & II, WRAP, Sedex, ISO 9001 & ISO 14001.
